

EARTH'S ASCENDANCY & *Cosmic Consciousness*

Join the Ascension Journey

Come join us for a cosmic ride with ZaZar, channeled by Dr. Marilyn Gewacke.

ZaZar is a 6th dimensional ET being offering profound teachings to enhance and illuminate the true nature of our mission on Earth and in the Cosmos.

Gather together to not only feel ZaZar's beautiful presence, but to hear his teachings about the fifth dimensional Ascension journey on Earth. There will be ample time to sit with ZaZar and Dr. Gewacke to engage in scintillating conversations about understanding the current times on Earth, human pitfalls, and revelations and information from the higher dimensional planes.

"My initial rendezvous with ZaZar was a life-altering experience. Marilyn is the real deal as she channels with such clarity, integrity and authenticity. ZaZar is pure love...and so, this ZaZarian wisdom from the cosmic realms is truly a missing link for awakening on earth." —Karen
